

THINKING AHEAD

Market your products more effectively, **E**xpand to new markets flawlessly, **M**aximize your revenues rapidly, **M**onitor the competitive landscape efficiently, **D**eploy innovative strategies masterfully, **E**nsure your company's liquidity, **M**onitor your financials effortlessly, **R**eport to your investors easily, **E**liminate redundant operations, **N**ever worry about your operating structure and **E**njoy guaranteed business continuity.

Change Group is an international strategy and consulting firm that focuses primarily on the unique needs of small and medium sized companies.

Our main activities involve: (a) Business Consulting/Incubation – from starting, growing or revitalizing a business to selling or buying a company; and (b) Market Penetration – a complete line of strategic services and back-office operations specifically developed for international companies.

•**Optimized Delivery.** An optimized blend of our talent is dynamically and seamlessly deployed across your project's timeline to exactly meet the project's resources requirements. Whatever the project, the most effective and best suited professional for each task will reliably deliver results that exceed your expectations every step of the way.

•**Certainty.** For almost two decades our Group has deployed Optimized Execution, which allows us to ensure excellence, exceed expectations in timeframes, quality and costs.

•**Capacity.** A highly trained workforce of experts at your disposal around the globe, on demand.

•**Agility and Expertise.** With our cross-disciplinary approach and transcultural expertise, we deliver the help you need, when you need it. Our Senior Management has over 150 years of collective experience and all new staff receive extensive domain expertise training prior to being deployed on engagements.

Change Group and Contractual CFO have partnered together in an effort to better assist their clients with the most demanding of domestic and international project.
